

Music Representatives (UK & Ireland) 2013

This document lists contact details for Trinity College London public centres for music examinations. These centres are open to all. The centres are listed by regions within the UK. Please note that the town or city listed is the normal location of the examination venue but the addresses listed are the contact details for the Local Area Representative. Applicants should contact the Local Area Representative for details of the venue. Local Area Representatives are responsible for organising examinations. Entries should be sent to the Representative by the closing date shown and **not** to Trinity's London Office unless advised to do so.

The dates given show the **first day (Monday) of the week(s) in which practical examinations will take place**, unless otherwise specified. Please contact the Representative for details. Please be aware that due to high numbers of entries, the examinations may go into a second and third week – please confirm with the Local Area Representative for details.

Closing Dates 2012

For centres within the 'Peak Examination Period' please see the closing date below. Please note, *all* centres will have a specific examination week, **please see the list of individual centres below for specific examination weeks**. Centres which have examinations outside of the 'Peak Examination Period' will have a separate closing date (**Please check list**). Please contact your local representative to confirm details.
